

Back Up and Reread

(Spoken Rap Style)

Back it up, back it up, back up and reread.
Back it up, back it up, back up and reread.

When you find a tricky word,
Cross check-double check.
Strategies you'll need to use,
Which one will you choose?

Slinky stretch, flip the sound,
What is the first letter?
Use the pictures, rhyming words,
Chunk the letters together.

THEN

Back it up, back it up, back up and reread.
Back it up, back it up, back up and reread.
