

# Stretch or Blend Sounds in Words

(Tune: This Old Man)

Put your word in.  
Take your word out.  
Put your word in.  
And you stretch it all about.  
Say it sound by sound.  
And you'll figure it out.  
You are reading,  
It's time to shout!

Put your sound in.  
Take your sound out.  
Put your sound in.  
And you stir it all about.  
Put them all together.  
And a word pops out.  
You are reading,  
It's time to shout!
